Critical and high-risk items

REQ-002 · Proposals are due November 27, 2026 at 4:00 PM Eastern Time.

HIGH mechanic · Section A — Solicitation and Instructions Summary · page 1 · Human Reviewed

Action: Put this on the proposal calendar and confirm the submission method, receipt and timezone.

REQ-003 · Late proposals will not be accepted.

CRITICAL hard · Section A — Solicitation and Instructions Summary · page 1 · Human Reviewed

Action: Put this on the proposal calendar and confirm the submission method, receipt and timezone.

REQ-004 · The official receipt is the timestamp recorded by the State procurement portal.

HIGH mechanic · Section A — Solicitation and Instructions Summary · page 1 · Human Reviewed

Action: Put this on the proposal calendar and confirm the submission method, receipt and timezone.

REQ-005 · Questions regarding this RFP must be submitted through the portal no later than October 29, 2026 at 4:00 PM ET. Questions submitted by email will not be answered.

HIGH mechanic · Section A — Solicitation and Instructions Summary · page 1 · Human Reviewed

Action: Put this on the proposal calendar and confirm the submission method, receipt and timezone.

REQ-006 · Offerors must hold a current vendor registration on the vehicle at the time of submission.

HIGH mechanic · Section A — Solicitation and Instructions Summary · page 1 · Human Reviewed

Action: Assign an owner and verify the wording against the original solicitation and every amendment.

REQ-007 · Offerors shall submit one technical proposal and one price proposal through the State procurement portal.

HIGH mechanic · Section L — Instructions to Offerors · page 2 · Human Reviewed

Action: Assign an owner and verify the wording against the original solicitation and every amendment.

REQ-010 · Pricing must be submitted on Exhibit B, Pricing Sheet, provided as Attachment A..

HIGH mechanic · Section L — Instructions to Offerors · page 2 · Human Reviewed

Action: Assign an owner and confirm the current supporting document is on file before the review deadline.

REQ-011 · Failure to submit the signed Offeror Certification Form, the completed Exhibit B Pricing Sheet, or acknowledgement of all amendments may result in rejection of the proposal as non-responsive.

CRITICAL hard · Section L — Instructions to Offerors · page 2 · Human Reviewed

Action: Locate the official form, complete it, and obtain the required signature before the package is assembled.

REQ-012 · The Offeror shall submit three references from government or healthcare clients for work performed within the last five years.

HIGH mechanic · Section L — Instructions to Offerors · page 2 · Human Reviewed

Action: Assign an owner and confirm the current supporting document is on file before the review deadline.

REQ-013 · Reference forms are provided as Attachment C and must be completed by the reference directly.

HIGH mechanic · Section L — Instructions to Offerors · page 2 · Human Reviewed

Action: Assign an owner and confirm the current supporting document is on file before the review deadline.

REQ-014 · The Offeror must provide a current certificate of insurance evidencing at least $2,000,000 in cyber liability coverage and $1,000,000 in professional liability coverage.

HIGH hard · Section L — Instructions to Offerors · page 2 · Human Reviewed

Action: Assign an owner and confirm the current supporting document is on file before the review deadline.

REQ-016 · Offerors shall not contact any State employee other than the Procurement Officer identified in this solicitation.

HIGH hard · Section L — Instructions to Offerors · page 2 · Human Reviewed

Action: Assign an owner and verify the wording against the original solicitation and every amendment.

REQ-017 · The technical proposal must be signed by an authorized representative of the Offeror.

HIGH mechanic · Section L — Instructions to Offerors · page 2 · Human Reviewed

Action: Locate the official form, complete it, and obtain the required signature before the package is assembled.

REQ-018 · Offerors must acknowledge every amendment issued against this solicitation by submitting the signed Amendment Acknowledgement form.

HIGH mechanic · Section L — Instructions to Offerors · page 2 · Human Reviewed

Action: Locate the official form, complete it, and obtain the required signature before the package is assembled.

REQ-019 · Failure to acknowledge any amendment may render the proposal non-responsive.

CRITICAL hard · Section L — Instructions to Offerors · page 2 · Human Reviewed

Action: Assign an owner and verify the wording against the original solicitation and every amendment.

REQ-020 · The successful Offeror will be required to provide a quality assurance plan and a transition plan within 20 business days of contract award.

HIGH hard · Section L — Instructions to Offerors · page 2 · Human Reviewed

Action: Assign an owner and verify the wording against the original solicitation and every amendment.

REQ-021 · The State will award to the Offeror whose proposal represents the best value.

HIGH evaluation · Section M — Evaluation Factors · page 3 · Human Reviewed

Action: Map response evidence directly to this factor and state the score you expect to earn against it.

REQ-022 · Proposals will be evaluated on the following factors: Technical Approach is worth 40 points, Past Performance is worth 25 points, Staffing and Transition Plan is worth 20 points, and Price is worth 15

points.

HIGH evaluation · Section M — Evaluation Factors · page 3 · Human Reviewed

Action: Map response evidence directly to this factor and state the score you expect to earn against it.

REQ-025 · The Offeror may be rejected for an unresolved conflict of interest or a material misrepresentation in its proposal.

CRITICAL hard · Section M — Evaluation Factors · page 3 · Human Reviewed

Action: Assign an owner and verify the wording against the original solicitation and every amendment.

REQ-029 · The Offeror shall provide a qualified project manager and a technical lead for the duration of the engagement.

HIGH hard · Attachment B — Statement of Work · page 4 · Human Reviewed

Action: Assign an owner and verify the wording against the original solicitation and every amendment.
